

You're almost out of time!

**Open enrollment for your
2017 health benefits
ends Oct. 24, 2016.**

This is a mandatory open enrollment period. Everyone must enroll in or waive health insurance coverage. If your employer participates in KEHP's FSA program, you may elect an FSA. Retirees are not eligible for an FSA.

If you do not make an election, you will be defaulted to the standard PPO plan for 2017 at the same level as your 2016 plan (single, couple, parent plus, family).

Tools to use:

- Your KHRIS user ID and personalized benefits analyzer were sent in the mail. This information will help you determine what steps you need to take for open enrollment.
- The Benefits Selection Guide with detailed information on benefits, plans, health reimbursement arrangements, and flexible spending accounts is available from your insurance coordinator.
- Additional information is available at kehpnky.gov.
